Career Goal

I am a full-stack developer who has been training nearly full-time since January. I have completed a Web Development course at the Eleven Fifty Academy, as well as Salesforce's Pathfinder program. I am currently taking a Software Development course at Eleven Fifty. I am a fast learner with a passion for programming, learning new skills, and working collaboratively. I am currently seeking a full-time position in software engineering.

Skills

React, C#, JavaScript, Firebase and Heroku Deployment, PostgreSQL, GIT, GitHub, Unity

Education

Eleven Fifty Academy

January - April 2020 & August 2020 - present

Two rigorous, immersive courses

- Web Development - completed April 2020, built responsive web applications, worked in teams
- Software Development - currently enrolled, building applications using the .NET framework

Salesforce & Deloitte Pathfinder Program

June 2020 - August 2020

Developer Path - Developer I Certification pending

- Salesforce and Deloitte program aimed at building Salesforce Developer and business soft skills
- 100+ hours of self-guided Salesforce technical training, earned 43 Trailhead Badges

Indiana University

August 2013 - December 2016

Bachelor of Arts - Major: Psychology & Minor: Religious Studies

- Magna Cum Laude - Graduated in 3.5 years with a GPA of 3.84 on a 4.0 scale
- Phi Beta Kappa Honor Society
- Additional Honors include: *National Society of Collegiate Scholars, Phi Sigma Theta National Honor Society, Phi Eta Sigma National Honor Society, Alpha Lambda Delta National Honor Society, Indiana University Founders Scholar every academic year*

Professional Experiences

Assistant Grower

March 2019 - January 2020

Schlegel Greenhouse, Indianapolis, IN

- Assisted in growing ornamental plants for local retailers, including cloning and propagating plants
- Debugged irrigation and environmental control systems
- Led shipping teams to select and ship products

Field Crew Volunteer

May 2018 - November 2018

Montana Conservation Corps, Kalispell, MT

- Transformational intensive backwoods stint in Bob Marshall Wilderness
- Worked with US Forest Service in maintaining supply lines to firewatch stations, ranging over several hundred miles on foot
- Built retaining walls and land bridges, cleared and maintained trails without the use of power tools
- Collaborated with team of 6 to problem-solve in challenging environments

Hurricane Relief Volunteer

March 2018 - May 2018

All Hands and Hearts, U.S. Virgin Islands

- Engaged in debris removal, sanitization, and school reconstruction teams
- Served as base logistics manager

Private Gardener

March 2017 - December 2017

Outdoor Environments Group, Indianapolis, IN

- Maintained gardens for private estates and high-profile corporate accounts
- Led teams to manage and install plant displays

Jobs during college include Teaching Assistant, Research Assistant, Landscaper, and Facility Support Labor Leader.
